

# HILLTOP PTA NEWSLETTER

Parents & Staff,

Welcome back! We are getting ready for a fun filled year at Hilltop Elementary. If you'd like to participate as a volunteer in the building and support our students and staff, please join PTA. You can visit our website [CanfieldPTA.org](http://CanfieldPTA.org) and click join. You will be redirected to Member Hub.

Thank you to those that joined us for our September 13th quarterly Hilltop PTA meeting. The next Hilltop PTA meeting will be on Friday, November 1 at 9:00 am in the Hilltop Cafeteria.

If you have any questions or concerns, please reach out to us. We'd love to hear from you and appreciate your involvement in PTA.

Thank you for all of your support!

## IMPORTANT REMINDERS

- **Remind App:** We set up a "class" on the Remind app to help us keep in touch with reminders and volunteer opportunities as they arise. Please text @b2he6e to 81010.
- **Raptor Visitor Management System:** All building visitors must be checked in through the Raptor system. Every PTA volunteer must be entered into the system prior to participating in an event at the school. We are asking all volunteers that plan to participate in building events to visit Hilltop in advance of the event to have their ID scanned.
- **Administrative Policies:** Administration has asked us that only ONE parent be present for your student at classroom parties. This is to account for safety concerns as well as classroom size limitations. Both parents may volunteer at larger PTA sponsored events as long as BOTH parents sign up to volunteer with the committee chair PRIOR to the event. We appreciate your understanding.
- PTA volunteers are NOT permitted to bring non-Hilltop students to events/volunteer opportunities in which we are assisting and/or interacting with students. Meetings in which students are not present are allowed.
- Please refrain from taking pictures of students at school unless you've been assigned to do so for the memory book. Student privacy and safety is a concern and we need to follow school policy. Thank you for your understanding!

### THANK YOU!!!!

- **Picture Day:** Thank you so much to those who volunteered to help with the students!.
